Go Ye Messengers of Heaven

This song contains two different "voices". One is that of those that know and support those who are fulfilling the commandment to serve the Lord - "Go ye Messengers of Heaven". They recognize the importance of their calling - "chosen by divine command". Then the second voice is that of the missionary whose prayers are always and fervently in petition of the Lord's help. Then at the end of the song you hear the combined voice of the two as they rejoice in the light of the Gospel and the blessings that are sweeping the earth because of it.

The lyrics come from three hymns of the LDS Hymn Book.
